

4 July 2017 - Bulletin of Events, Science & Education

FOCUS ON CAREER ENHANCEMENT

The Heart Imagers of Tomorrow (HIT) committee of the EACVI must focus on the needs and knowledge development of the young community. One opportunity offered by the EACVI is the possibility to apply for a training or a research grant. The fellowships supported by grants can be run anywhere in Europe. Application deadline is 30 September.

NEWS FROM THE ASSOCIATION

IMPACT FACTOR BREAKING RECORD

The journal of the European Association of Cardiovascular Imaging (EACVI) has made a significant new increase of impact factor from 4.29 to 5.99. The European Heart Journal – Cardiovascular Imaging is now ranked #18 (ranked #28 last year) among the 124 journals of the Cardiac & Cardiovascular system category. Silver and Gold EACVI members have unlimited access to the journal online.
